How to Register for CardValet

1. Download CardValet from either the App Store (iPhone) or GooglePlay Store (Android).

   The app icon is orange and white (see left).

2. Once downloaded, open the application.

3. Find the text "Need an account? Get started" and tap **Get started.**

4. Type your 16-digit FCCU Debit Card number and tap **Next** at the top right.

5. Type the CVV code, street address, ZIP code, and card expiration date. Tap **Next** at the top right.

6. Type the last 4-digits of your social security number and tap **Next** at the top right.

7. Read the CardValet Terms of Use and tap **Agree** at the bottom right.

8. Read the CardValet Privacy Policy and top **Agree** at the bottom right.

9. Type your full name, email, username, and password. Tap **Next** at the top right.

10. Tap **Sign In**.

Once you are signed in, you are able to set alerts, lock your card, block certain types of transactions, view account balances, and more!
