## How to Link Your FCCU Debit Card in Buzz Points

**Voila! Your home address has been verified and your card is now linked!**

### Important Information About Redeeming Points:

- » After your card is linked you can use your points to purchase local rewards by logging into your Buzz Points profile online at [www.buzzpoints.com/fortcommunity](http://www.buzzpoints.com/fortcommunity) or via the Buzz Points Mobile app.
- » Make sure to redeem points prior to making a qualifying purchase at a local merchant. A qualifying purchase is any purchase using your linked FCCU debit card that **exceeds** the amount of the reward being redeemed at the local merchant you requested the reward for.
- » Make a qualifying purchase at the local merchant business using your linked FCCU Mastercard, and run it as a **signature-based (credit)** transaction.
- » You'll see the reward as a cash-back credit to your account from Buzz Points within 7-10 business days. It's that easy!
