Voila! Your home address has been verified and your card is linked!

Important Information About Redeeming Points:

- » After your card is linked you can use your points to purchase local rewards by logging into your Buzz Points profile online at www.buzzpoints.com/fortcommunity or via the Buzz Points or FCCU Mobile application.
- » Make sure to redeem points prior to making a qualifying purchase at a local merchant. A qualifying purchase is any purchase using your linked FCCU debit card that **exceeds** the amount of the reward being redeemed at the local merchant you requested the reward for.
- » Make a qualifying purchase at the local merchant business using your linked FCCU Mastercard, and run it as a **signature-based (credit)** transaction.
- » You'll see the reward as a cash back credit to your account from Buzz Points within 7-10 business days. It's that easy!
